

# PrivateMarkets\_One

## INVITATION

**January 28, 2025, 12:00 – 8:00 p.m.**

**Venue: Frankfurt School of Finance and Management**

Join us for a pioneering conference in the heart of Europe's financial center, as Frankfurt hosts its first groundbreaking gathering of top global investors and visionaries in the private markets sector. This exclusive half-day event will connect equity and debt investors as well as entrepreneurs in the tech, innovation and transformative economy to foster cooperation and accelerate investments in crucial areas such as energy transition, deep tech, and AI.

### Program Highlights:

- Keynote on the future of private markets
- Panel discussions unveiling successful investment strategies and key market trends
- Insights into innovative fund structures and technologies
- Showcasing Frankfurt as the Eurozone's top destination for alternative investment funds
- Top-tier networking with key market players
- Scale-up pitch sessions
- Family Office and Venture Capital Workshop
- Evening networking dinner

Join an exclusive group of institutional investors and limited partners, family offices and corporate venture capital, private equity, venture capital, angel investors, experienced and emerging fund managers and entrepreneurs, service providers, legal and tax advisors, and regulatory authorities.
